*John & Rose, formally of the famous Jug Handle Inn in Cinnaminson, NJ, had a reputation for serving great food. You can take the owner out of the restaurant, but you can't take the restaurant out of the owner. We can now offer you the same great experiences in a relaxed, friendly atmosphere, serving great food and great drinks. Dine inside in air conditioned comfort or on our spacious deck with breathtaking harbor views. There's not another place like the Officer's Club. Of Course wide screen TVs will bring you every major sports event. We'll keep you happy!*
